

## Student Body Presents Don Pasquale Assembly

El Segundo High School students will view "Don Pasquale", a musical comedy Tuesday, October 19, during an assembly.

The play centers around Norina and Ernesto who are in love. But Ernesto's uncle, the wealthy Don Pasquale, says he will disinherit Ernesto if he marries Norina, because he does not approve of her.

Don Pasquale's physician, Dr. Malatesta, promises to try and help Ernesto and Norina with a scheme he has. He tells Don Pasquale that he is the one who should get married and that his beautiful sister is the one who would be right for him.

Don Pasquale is enthusiastic and agrees. Dr. Malatesta's plan is that Norina should disguise herself as his sister, marry Don Pasquale in a fake marriage ceremony, and make his life so miserable that he will try to get rid of her by asking Ernest to marry her.

## AFS Applicants Screened

Who will ESHS's next AFS student be? Who will get the chance to spend next summer in some exciting, distant land?

Right now no one knows, but he or she will be chosen from among this group of candidates: **Bill Bird-sall, Roger Brandon, Leslie Crichton, Carol Ferry, Peter Gudekunst, Jean Kitto, Joanne Jordan, Donna Mac-Eachern, Ray Morrice and Jeanne Peters.**

Last Sunday, an informal get together was held at the Walter Karutz's home for the purpose of acquainting the candidates with the AFS program itself and giving them a chance to ask questions about it.

This week individual interviews were conducted in the teacher's practice house to determine the AFS semi-finalists.

At these interviews, the applicants were asked a variety of questions from "What would you do if you were served sheeps eyes?" to "What is a teenager?"

The semi-finalists will be narrowed down to four finalists. Then it's up to the New York Headquarters of AFS to choose the student who will represent El Segundo in the AFS program. This will be announced in April or May of next year.

## Students to Visit Valley Music Theatre Classical Media Stars Judith Anderson

The Valley Music Theater will be the destination of 40 ESHS students who will view the classical Greek play *Medea* on Saturday, October 23 at 2 P.M.

The students planning to go belong to either J.C.L., Spanish III and IV or World Literature. Judith Anderson, star of the play, is well-known for her stage performances.

The *Medea* was adapted by poet Robinson Jeffers from the original Euripides play of 431 B.C. The executive producers, Nick Mayo and Randolph Hale, of the theatre-in-the-round said this was their first venture into the classics. It was also made into the television show "Play of the Week."

One critic called it "The greatest performance of the century." Mrs. Margaret Potter, J.C.L. advisor, thinks the play will be very interesting and enjoyable. The students will be transported by bus to the Music Theatre stated Mr. Richard Peterson, English teacher.

SENIORS REHEARSE FOR PLAY

## Seniors To Present a Farce -- Charley's Aunt

"Charley's Aunt," written by Brandon Thomas, will be presented by the senior class in December.

The play, which takes place around the turn of the century, surrounds the scheme of two boys who, when their chaperone for an important date with two lovelies is detained, persuade a friend to fill-in.

The fun begins when the real chaperone appears on the scene and finds two couples being kept an eye on by a boy donning women's clothing.

Try-outs for the production were held the first week in October. Mr. Duffy conducted the readings and chose the cast.

Those selected for the parts were **Bruce Drydahl**, Stephan Spettique; **Jim Fallon**, Colonel Sir Francis Chesney; **Scott Hail**, Jack Chesney; **Jerry Gaudio**, Charles Wykeham; **Cameron MacDonald**, Lord Fancourt Babberly; **Wayne Stump**, Brassett; **Gwen Rocco**, Donna Lucia E'Alavardrez; **Linda Padjen**, Kitty Verdun; **Doreen Lucero**, Amy Spettique; and **Kathy Wellfonder**, Ela Delahay.

## Have Council Will Travel Students Question DJ'S

Six student council members, **Mike Brown, Kreg Brown, Jack Cuzick, Bill Holt, Steve White** and **Mary Neil**, will attend a Pioneer League Forum at Lennox High October 25. The purpose will be to discuss student government problems. Each school was requested to send eight topics of discussion.

Epsilon Sigma is selling football pins at snack and lunch stated **Alison Binder**, president. The purpose is to promote school spirit and raise money for the service organization.

Two members of the Bay Eagle staff, **Margaret Bougeno** and **Johanna Peet**, will attend a special press conference Saturday, October 30 when KFWB disc jockeys introduce the newest "good guy," Lord Tim. Lord Tim is the first British disc jockey in the country. Any questions wanted asked to Lord Tim or the other disc jockeys should be left in Room 131.

**Cindy Campeau, Johanna Peet, Kathy Young, Paula Galloway** and **Ann Collette**, student council members, visited Santa Monica High School, October 13 after school to tour the campus and to meet student leaders of that school.

## Students Get Discount

The 1966 International Auto Show will be held at the Pan-Pacific Auditorium in Los Angeles from October 22-31.

A special discount for 75¢ will be given to students showing their ID cards at the box office on any weekday up to 7 P.M.

Association President Warren Biggs stated, "It is our desire to make it possible for many more students to be exposed to the latest engineering and scientific displays and to meet factory representatives and salesmen who can answer questions regarding the attractive career opportunities in the automobile industry."

Biggs also stressed the industry's need for intelligent young people in all areas of business from clerical positions through engineering.

## Cokes & Milk Don't Mix

I hold neither praise nor accomplishments for you, Student Body.

Every group has its "showoffs" who come to the forefront at times with their childish antics. Because of these groups, as I have mentioned, we must take time out to set the "showoffs" straight. If this is not done, usually everyone suffers in some way.

I say to you the STUDENT BODY: The time is here for you to act. You have those certain few people who show off and they have now come to the front of the group once again. I am particularly referring to those people who throw partially filled milk cartons. It is time that you set these people "straight." If not, all could likely suffer.

Student Council has been trying for some time to purchase a coke machine. With these incidents we were sometimes asked, "Does the Student Body deserve a coke machine when they can't even keep from throwing milk?" Truthfully, we could not answer and because of this we have temporarily given up trying to purchase a coke machine.

When the school has set the show-offs on the right track we will once again think of you as an orderly and organized Student Body.

## Seniors Sponsor Dance The VIPS Play Tonight

The football game will be over and a restless crowd of students will go to the cafeteria for the after game dance tonight.

The senior class is sponsoring this after game dance from 9 until 11 with the VIP's playing. The price is 50¢ with an activity card and 75¢ without.

An average student doesn't realize what work goes behind an activity. First, **Mike Brown**, president, and his sponsor, Mr. Daniel Jeldum, put a date on the school calendar. With his cabinet, they decide how much they want to spend and what band to get. They want a profit for the traditional senior events. A requisition must be passed by Student Council and signed by Mr. Nolan Noble, principal, Mr. Maurice Ward, vice principal, sponsor, and requisitioner.

## Bougie's Corner

by Margaret Bougeno

Birthday parties aren't what they used to be. This last weekend a party for **Chris Cline** was held at **Susan Hoffman's** house, and Paul North had a party at the beach. However, these did not live up to the birthday party in the 1929 **Bay Eagle** where an enjoyable evening was spent dancing and playing "cootie" and bunco.

November will be here soon. That means Coronation time is coming up again. We the **Bay Eagle** staff, are facing a similar problem as in 1950; how to make the Coronation Ball a success and have a large turnout.

Fifteen years ago it was decided that the only way was to be original. They came up with the idea of bidding for pencils, which is hard to understand, except for the fact that it was to solve the problem of the boys dancing with the boys.

These past years the problem has been getting the boys there, period. However, the problem is solved! After a series of requests, girls can put their name on a list stating they will be available the night of November 6. This will eliminate the problem of the boys being afraid of being turned down. This idea was submitted by **Linda Hartman**, **Mary Neil**, and **Kris Swanson**.

## Know Your Team Devoted to Water Poloists Barker, Saari, and Puffer Featured

The Know You Team for this issue is devoted to three water polo players.

**Bob Saari**, who plays forward, is a senior and has been on varsity since he was a freshman. In his sophomore year he was named to the All-American 1st team and was CIF co-player of the year. He was on the All-Sky League 1st team, the All-CIF 1st team, and the All-American 1st team in his junior year. Bob was a member of the 1965 Olympic Water Polo team, too.

**Robbie Barker**, who is a senior, is a guard. This is his second year on water polo. He played last year on the CIF championship team.

Sophomore **Jim Puffer** is a forward and was on varsity last year, too. He is a valuable member of last year's CIF championship team. His father is the water polo coach for Beverly Hills High School, one of the rival teams.

### Explanation Made

We of the **Bay Eagle** staff would like to explain why this issue of the paper is only two pages long.

This year the printer's fee has risen from \$36 to \$44 per page per issue of the **Bay Eagle**. We must cut down in our spending. Now is a good time to do it because there's not enough happening to make an interesting four page paper.

Homecoming which is coming in November, will offer an endless amount of information to print. At this time we'll be able to put out a bigger **Bay Eagle**.

Please bear with us on these "Baby" Eagles and we'll work hard to please you with extra large Homecoming, Christmas, Easter, and Graduation issues of the paper.

## Varsity Pigskinners Tromp Beverly

The El Segundo High School Class "C" football program is now in its second season. The current edition of the "mighty mites" presently have a no wins — three loss record in pre-season games. The Cees are coached by Mr. Bill Morgan. The team captains are Tim Maledon and Steve D'Onofrio.

The Eagle "B" football aggregation currently sports a record of two wins (Neff and Beverly Hills) and one loss (South) record. The Bees are

coached by John Stevenson and Dennis Deovlet. The season team captain is **Linzey Wagley**. Besides, an additional game captain is appointed for each encounter. The acting captain last week was Bob Meschuk.

The 1965 Eagle football varsity, in downing Beverly Hills 19-14, won their third consecutive non-league game of the season. **Dave Dobos** scored the first El Segundo touchdown on a one-yard plunge. **Jerry Filson** rambled 26 yards to tally the Eagles second touchdown. Both of these scoring plays occurred in the first period. In the second quarter, Jerry Filson again scored, this time from the one foot line. The pass ver City at 8 P.M. on Hazeltine Field. completed the Eagle scoring. The varsity is coached by George Hartman and assistant Don Greeley.

Tonight the Eagles will face Culver City at 8:00 P.M. on Hazeltine Field.

### Water Polo Wins Again

The Varsity Water Polo team entered the Inglewood Tournament at Inglewood High Friday and Saturday, October 8 and 9. The team won the Inglewood game 17-2. El Segundo played Fullerton, 11-5, and Cal Hi, 18-4. Saturday night was their last game. This was to be the deciding game for 1st and 2nd place. Their opponent was the Downey team.

In the first quarter the score was a 3-3 tie, in the second quarter no one scored, then in the third quarter ES took the lead by one point, 8-7. In the fourth quarter the deciding point was made. An 11-10 victory over Downey. Both teams played hard and rough, but the Eagles came out victorious.

"We have a good chance of going all the way this year," commented **George Merit**, assistant water polo coach, "our only wish is that we could play in a stronger league with tougher competition. This would enable us to better prepare ourselves for the C.I.F. games. We have a young team and a good one. The team, the coaches and myself appreciated the turn-out at our first two games. Keep up the good spirit and support!"

The water-polo season has nine more games to play before C.I.F. Prelims.
