## Classmate News

\*\*\*\*\*

Hurricane Katrina plowed through. Bob and his wife Jane first moved to Washington, DC and then on to Kenosha, Wisconsin where his daughter lives. When he will be able to return is problematical at this time.

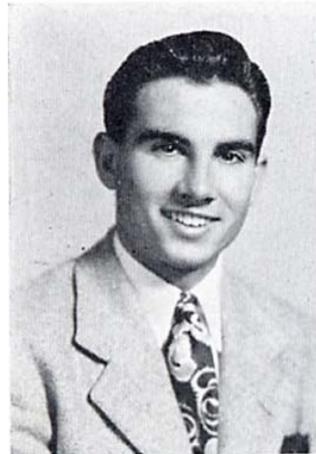

**Bob Jordan** decided not to ride out Katrina at his home in Covington, Louisiana. Luckily he didn't, as there was major damage as

**Richard Peterson** is shown with his 56", 89 lb, Halibut that he caught at a fishing contest held in the waters off of Sitka, Alaska in May. The goal was to catch 4 varieties of fish each day consisting of King Salmon, Ling Cod, Yellow Eye and Halibut. Unfortunately Richard's Halibut was not the largest that was caught during the week. The largest was a championship, 374 lbs.

**Bev Tanner Benson** died at her home in Peyton, Arizona August 14, 2002. We learned this from her Brother, Bob who lives in Scottsdale. Her classmates last saw her at the 41<sup>st</sup> Reunion in 1988 when her picture was taken with the Class of '47 group.

**Ron Mort** had major surgery on his back in April. This, he feels, may have been from a high school football game injury. He particularly remembers an Inglewood game, which El Segundo lost by just three points, when Inglewood had been favored by 35 points. Ron remembers all of his old football teammates and passed on a greeting when we got an email from him at the end of June. Hope the recovery went well and that we will see Ron at the next Reunion in 2007.

**Roberta Gross** passes on these pictures from her apparently endless supply of Oldies. How about some names! Looks like **Billie Bohner (Barnes)** at the left and **Cecelia Morris (Roske)** in the snow picture. Can you name the others?

**Lost Classmates**

**Homecoming 2005**

You will want to look at the enclosed fliers regarding the Homecoming and Rededication on October 14 and 15. You're certain to run into some of your High School schoolmates on these days. Although there are no reunions planned by any class at this time, there will be lots of activities that are sure to draw many of the old timers. Make this your personal reunion between our class reunions.
