### **Hall of Fame:**

Know an alumni who epitomizes the El Segundo High School motto of "Enter to learn. Go forth for service"? How about nominating him/her to the ESHS Hall of Fame? It is time to begin submitting Hall of Fame nominations for 2012. This will be the last year in which there is a limited time period in which to submit nominations.

In an effort to simplify the process for our alumni, we are setting the annual cutoff date at July 31. In future years, the date will remain the same. You may submit nominations anytime during the year and those received **before July 31** will be reviewed that year.

Those received after this date will be reviewed during the next year's review cycle. If you decide to nominate someone, please read carefully all the documents on the web site pertaining to the Hall of Fame nominations. Then print and complete the form providing all information requested. The form can be mailed to the address indicated or FAXed to the number provided. You will receive confirmation notification when your nomination is received.

Hall of Fame inductions are held every year during Homecoming Week which usually falls in October.

Visit [\*\*"Our Documents"\*\*](#) page to obtain all Hall of Fame forms.

## Eagle Merchandise:

After our last newsletter many of you ordered official Eagle merchandise from B1SelfShop. These orders indirectly contributed several hundred dollars to El Segundo High School. If your looking to buy summer apparel, or are looking ahead to the 2012 Homecoming in October 2012, consider the ESHS store at B1SelfShop. Click on the logo below to enter their website.

The Alumni Association is currently working with B1SelfShop.com to establish a line of merchandise more in line with the desires of our alumni. If you don't currently see the Eagle apparel you are looking for, check back frequently. Purchases from B1SelfShop.com are an excellent way to show your pride in your alma mater and help the high school financially at the same time.

# In Memoriam:

The Alumni Association has learned during the last quarter that the following ESHS graduates have passed away:

1963	John Davy	1965	Wayne Herring
1986	Jamie Stuart	1960	Stuart Reeder
1955	Charles "Bill" Bell	1959	Linda Telfair Patrick

A comprehensive list of deceased ESHS graduates can be found on the "[In Memoriam](#)" page on our website. This page has been greatly enhanced this quarter because of the fine work done on our Facebook Group, [El Segundo High School Alumni](#). Many of our graduates from the 1970's and 1980's who left us too soon have been documented on this Facebook Group. Carl Koppelman, [Class of 1981](#), then took the information, validated it, and then created a "montage" for each class. This information has been carried over to the "[In Memoriam](#)" page for those who are not on Facebook.

## Class Representatives:

Since our last newsletter there have been additions, deletions, and changes to our class representatives. Class representative information can be located on several different pages on the website. The link to the primary [Class Rep](#) page is located on the navigation bar. The following "decade specific" class rep pages appear under the [Class Rep](#) drop-down menu:

- [Class Representatives - 1930's to 1940's](#)
- [Class Representatives - 1950's to 1960's](#)
- [Class Representatives - 1970's to 1980's](#)
- [Class Representatives - 1990's to 2000's](#)

In addition, class representative information is listed on the "Class Page" for each graduating class. If you are interested in becoming a class representative, please send an email to our Class Representative Coordinator, Wilton Kanode, at [wkanode@bellsouth.net](mailto:wkanode@bellsouth.net). To learn more about the job, click on: [Class Representative Job Description](#).

these older announcements, return to the homepage by clicking on the word "[Home](#)" on the navigation bar. Older announcements are archived into a PDF file; links to these PDF files can be viewed at the [Announcement Archive](#) section on the [Our Documents](#) page.

During the 2nd quarter a lot of very interesting information has been obtained from our members and added to the website. As previously mentioned Carl Koppelman created montages for many of our deceased graduates; links to these montages have been added to the [In Memoriam](#) page. We've also received short stories and other pieces of information about our ESHS graduates. Many thanks to: Nick Molinaro ([1962](#)), Amy Malpee Wood ([2001](#)), Bob Webb ([1968](#)), and Steve Wennerstrom ([1966](#)). This information can be found on the [Important Links](#) page.

## Quarterly Quiz:

What was the name of the first newspaper produced by the El Segundo High School Student Body? Who was the first May Queen for ESHS? A clue was given in a June 13, 2012 announcement. Can you find it?

## Contributions:

We hope all of our members are enjoying the website and the newsletters. As many of you may remember initially the El Segundo High School Alumni Association membership fee was \$10.00 a year. This seemed to be a deterrent to obtaining wide support from our graduates; the annual membership fee was finally dropped. However, we still have a need for contributions. Our main expenses center around the website, the newsletters, and the Hall of Fame ceremony and plaques. Consequently, if you enjoy viewing the website, reading the newsletters, and learning about Hall of Fame inductees, a small contribution would be greatly appreciated. We do have plans to simplify this process by installing a credit card payment method via PayPal in the future, but for now we are only capable of processing checks. If so inclined, please send us a note with your contribution to the following mailing address:

***El Segundo High School Alumni Association  
P.O. Box 2733  
El Segundo, CA 90245***

Checks should be made payable to El Segundo High School Alumni Association.

This wraps up the Second Quarter 2012 edition of the El Segundo High School Alumni Association's [eNewsletter](#). Hope you enjoyed it!

***Thank you for your support,***
